

Here is a list of free and paid virtual training tools to enhance any training.

Kahoot!

<https://kahoot.com/>

Summary: Kahoot! is a quiz-based learning platform that works for hybrid learning and flipped classroom situations by making learning fun and engaging. Instructors can create quiz content and play in class or virtually. Kahoot! can be free to use and is not only fun for students but also social, allowing them to interact in the physical world as well as digitally. It works on nearly any device with a browser, making it easy to access even on older computers, tablets, and smartphones.

Cost: Free but has Monthly & Annual Plans Available | \$0 - \$72 Annually

Jamboard

<https://jamboard.google.com/>

Summary: Collaboration in the cloud across the world. Share ideas with your team in real-time. Mix images, photos, and drawings with work from Docs, Sheets & Slides straight into your “jam.” Built for collaboration, Jamboard is easy to set up and user-friendly for real-time collaboration. Model skills like math, art, note-taking, and other competencies whose mastery can be encouraged through modeling for students. Collaborate on projects in project-based learning—either between the teacher and students or between students. Brainstorm ideas collaboratively—for writing, projects, and more. Concept-map problems and solutions while using inquiry-based learning. Use in a flipped classroom setting to allow peer groups to collaborate in real-time in class or at home. Instructors find it very effective for remote learning, using the ‘chalkboard’ like feature to promote discussion activities and check for student understanding.

Cost: Free

MURAL

<https://www.mural.co/>

Summary: MURAL is a digital workspace for visual collaboration. Like Jamboard, MURAL helps everyone on the team imagine together to unlock new ideas, solve problems, and innovate in real-time. MURAL’s visual canvas adds a new dimension to video training, meetings, and calls. Frameworks, templates, and Facilitation Superpowers™ like

timer, voting, and Private Mode make meetings and workshops more engaging and productive. Collaborators can add sticky notes, icons, shapes, connectors, comments, and more.

Cost: Annual Plans Available | \$12 - \$20 Monthly

Wooclap

<https://www.wooclap.com/>

Summary: Wooclap is an online polling system that makes your classes, conferences, and training sessions more fun and effective. Wooclap turns smart devices into an exceptional learning tool. Through questionnaires and other animations, it allows the teacher to realize the degree of understanding of the participants in real-time. The solution is simple, intuitive, and intuitive for both the teacher and the participants.

Cost: Free but has Monthly Plans Available | \$0 - \$14.99 Monthly

Quiz Maker

<https://www.quiz-maker.com/>

Summary: Create quiz content, add image and media support, integrate social media, grade, and score automatically.

Cost: Free but has Monthly & Annual Plans Available | \$0 - \$99 Monthly

Quizlet

<https://quizlet.com/>

Summary: Quizlet is a company that creates and designs tools used for studying and learning. Quizlet's primary products include digital flashcards, matching games, practice electronic assessments, and live quizzes.

Cost: Free but has Monthly Plans Available | \$0 - \$3.99 Monthly

Mentimeter

<https://www.mentimeter.com/>

Summary: This flexible tool supports the creation of dynamic presentations and can help teachers strike a balance between information and interaction. With the ability to generate questions, assign polls, get image feedback, create matrices, and more, there's no shortage of options to engage your audience.

Cost: Free but has Monthly Plans Available | \$0 - \$29 Monthly

Survey Monkey

<https://www.surveymonkey.com/>

Summary: Conduct market research quickly and expand your market research capabilities to keep track of your brand, test your ideas, or get a gut check with your target audience. Deliver a seamless customer experience. Connect with customers where they are, discover insights, and share learnings across your organization to drive meaningful, swift actions.

Cost: Monthly Plans Available | \$25 - \$75

Stormboard

<https://stormboard.com/>

Summary: Stormboard is an all-in-one digital workspace where high-performing teams hold meetings, monitor projects, and get work done every day no matter where they are located — down the hall, in a different building, or somewhere else in the world. Create a plan or project, assign tasks to your team, and set deadlines, goals, and milestones. Using Stormboard will cut down the number of status update meetings by seamlessly tracking the progress of your project to make sure your plan is on target.

Cost: Free but has Monthly Plans Available | \$0 - \$16.67 Monthly

Slido

<https://www.sli.do/>

Summary: Slido is a web-based audience interaction tool for meetings and events. Slido enables users to crowdsource top questions to drive meaningful conversations, engage participants with live polls and collect valuable interaction insights. It focuses on simplicity, both for meeting planners who can create an event in less than a minute, as well as for participants who can join via any device with a simple code.

Cost: Free but has Monthly Plans Available | \$0 - \$200 Monthly
