### CLIENT SERVICES

**DID YOU OR YOUR PARTNER(S) PROVIDE ANY CLIENT SERVICES THIS MONTH?**

- No
- Yes

**Who offered the service(s)?**

- Our Organization
- Partner Organization (Please only include the client services your partner if you have all of the data about that service. Otherwise your partner should submit this form themselves.)

*Please describe the partner including their name and role in the service(s) offered.*

If you selected ‘Yes’ above, please complete the questions below regarding the type of client service(s) you completed this month.

#### CLASSROOM TRAINING

Any type of educational program provided in a multi-person classroom setting with one or more instructors/trainers. These trainings could be one-day sessions for a couple hours or could be part of a training series including one session per week for several months. Online courses should also be included here.

*Please include only the number of complete educational class series during this month. For example, if your class runs once a week for a month you would count that as one class, rather than four classes. For the number of participants include the number who completed the course with whatever requirements you have for course completion. Do not count class series currently in session, only completed class series.*

17 Please only include the client services from partners if you have all of the data about that service AND that partner is not using this form to report those services directly. Otherwise your partner should submit this form themselves. Please submit one form PER partner. If you worked with multiple partners in one month submit the form a second time for the second partner and so on for all partners providing services for your clients this month.

18 Client services include classroom and individual training and/or technical assistance, coaching, or counseling.
### ONE-ON-ONE TECHNICAL ASSISTANCE

By one-on-one technical assistance we mean any assistance directly provided by a CDFI staff member (certified or not) to an individual client and or an individual family. This assistance is typically provided over the phone through email, or in individual meetings with the client (rather than in a classroom setting with multiple participants). This assistance is commonly also known as counseling, coaching, technical assistance, and/or individual education. Examples include, but are not limited to:

- a phone conversation with a client about the BIA TSA process
- an in-person meeting with a client and his spouse about maintaining the home they just purchased
- an email conversation which started with sending a client her credit report and providing advice and answering questions about building her credit
